nursery@oasiscovenant.org

Dear Parents,

Thank you for the privilege of partnering with you to nurture the faith of your child. Our volunteer staff does not take lightly that you have entrusted your child to us. We will do our best to keep the children in our care, healthy, happy, and safe.

This year, we will be teaching your child simple truth statements and simple Bible stories using the curriculum, "A Sure Foundation: His Praiseworthy Deeds". These truth statements and stories will be repeated over and over again to your child. Just as a child does not understand the word chair when he first hears it, he may not understand these truth statements. Through repetition and experience, your child will learn to understand and identify them.

The following is a list of **simple truth statements** that we will be repeating.

"God is good," "God is big," "God is strong," "Jesus loves you," "We love Jesus," "God made everything," "God is with us," "God knows everything", "Jesus is my friend", "We need God,"

*In addition, we will also be telling your child the following **Bible Stories**:*

"Creation," "Sin in the Garden," "God gives Abraham and Sarah a baby," "God frees His people from Pharaoh," "God feeds Elijah," "God heals Namaan," "God is with Jonah," "The birth of Jesus," "The wise men love Jesus," "The Wind and the Water obey Jesus," "Jesus loves the little children," "Jesus is a friend to Zaccheus," and "Jesus died and is alive again".

You as parents can reinforce these stories and Biblical truths at home and include them through your own daily routines.

Safety and Rules

In order to keep the nursery healthy and happy, we will be continually reinforcing the Oasis Nursery Rules. You may also use these rules at home to make transitions into the nursery as easy as possible. These rules are as follows:

- *Be Safe*
- *Be Kind*
- *Be Obedient*
- *Be a Good listener*
- *Share what you have*
- *Be respectful*
- *Use your Manners*
- *Be Prayerful*
- *Use Your Words*
- *Seek God Always*

If we have a discipline issue with your child these are the ways that our volunteer staff will guide your child:

- *Distraction (for smaller children)*
- *Modeling of acceptable behavior*
- *Firm, but loving verbal correction*
- *Guiding the child to use words to handle disagreements with other children.*
- *Time out in a chair (1 minute per age year of the child)*
- *If compliance cannot be obtained after a time-out, or your child bites, or causes an injury to another child which leaves a mark, parents will be paged to come address the situation.*

When will a parent be paged?

- *If your child continues to cry after 10 minutes (before if noted on Registration Card)*
- *If your child has an injury where he/ she needs a band-aid or a visible bruise appears.*
- *If your child requires a diaper change.*
- *If child causes injury that leaves a mark on another child or order cannot be obtained.*
- *If the child becomes ill during the service.*

Nursery Drop-off Procedure

- *Drop off will begin at 10:45am. A nursery greeter will help you sign in and give you a designated pager.*
- *Please be sure that your child is clean and dry before you leave him/her in the nursery. In order to help our nursery volunteers take the best possible care of your little one, the **Oasis Nursery, will not be responsible for changing diapers. If your child has an accident or becomes excessively wet or messy, you will be paged during the service to come and change your child.***

Nursery Pick-Up Procedure

- *Parents or Designated persons must turn in pagers before they will be able to take their child from the nursery. Siblings must be at least 11 years old in order to pick up their sibling from the nursery.*
- *Please remember to take all your belongings when leaving the nursery.*

Oasis Wellness Code

For the protection of your child and other children, parents are requested not to bring a child who appears ill or has been ill in the past 24 hours.

- *Fever*
- *Vomiting or diarrhea*
- *Common cold with yellow/green discharge*
- *Sore throat \ Strep Throat*
- *Croup or consistent cough*
- *Any unexplained rash, skin infection, boils, ringworm or impetigo*
- *Pinkeye or other eye infection*
- *Head lice*
